Dear Friends!

The Youngstown State University Newman Center is looking to begin the Alpha Program the first Wednesday in October. The Alpha program is not a program “we do”, but it is a starting point of who we are. Remember the “starting point” not the end. Our journey of faith is an ongoing journey that we are not alone in doing. Alpha is merely the beginning of the journey of becoming a people who entirely dedicated their lives to growing in the relationship with Christ and spreading his message. So remember that Alpha is the beginning.

When taking the Alpha course you will find a transformation, that might have an eye opening experience. I myself was not “on board” when I first heard about the Alpha program. I found once I attended the first session of Alpha that I met people of many different backgrounds, age, and at all walks of life. Sometimes on the journey of faith you can feel alone, like you are the only one on the journey. Well after starting the Alpha program I did not feel that way anymore.

Alpha has such a sharing experience. You will become familiar with everyone in your table at Alpha during this course, and have formed a relationship with the people. I gained such an experience from Alpha and knowing that we are all on the journey of Alpha together and we are not alone!

Please consider taking sometime out of your Wednesday’s night and be apart of the Alpha program!

Peace,

Michael J. Drajić
